EDUCATION

Bachelor of Information Technology

Expected Graduation: 2026

Haaga-Helia University of Applied Sciences

Helsinki, Finland

- Relevant Coursework: Backend Development, Frontend Development, Databases, Software Engineering, Agile Project Work

EXPERIENCE

Software Engineer Intern

June 2026 - Present

Okhati

Finland

- Built real-time voice-to-text with **Speechmatics** so doctors get live consultation transcripts inside Okhati's healthcare software
- Integrated the **OpenAI API** to convert transcripts into clinical summaries, helping doctors save time and generate reports faster
- Contributed to both **frontend (React.js, JavaScript)** and **backend** features on a clinic management platform used by healthcare teams
- Collaborated with a distributed engineering team across Nepal and Finland using **Bitbucket** and **Jira**

PROJECTS

Sadiverse | *Java, Spring Boot, Spring Security, JPA, PostgreSQL, Thymeleaf*

2025

- Built a full-stack Finnish vocabulary learning app with level-based practice (A1-C2), secure authentication, email verification, and admin tooling
- Persisted learning content with **Spring Data JPA** and **PostgreSQL**; live at sadiverse.com

Personal Trainer | *React, TypeScript, Vite*

2025

- Developed a customer and training session manager with add, edit, and delete workflows
- Added calendar views, activity-based statistics, and a dashboard summarizing key totals

Quizzer UI | *React, TypeScript, REST API, Scrum*

2025

- Built the frontend for a quiz platform that helps teachers and students create and complete interactive quizzes
- Integrated with a backend REST API and delivered features iteratively in a Scrum team with a Product Owner

TECHNICAL SKILLS

Languages: Java, TypeScript, JavaScript, SQL, HTML/CSS

Frameworks: Spring Boot, Spring Security, Spring Data JPA, React, Thymeleaf

AI / Speech: Speechmatics, OpenAI API, real-time transcription, text summarization

Tools: PostgreSQL, Git, Bitbucket, Jira, REST APIs, Vercel, Render, GitHub

LANGUAGES

English (Professional), Nepali (Native)
